

Class of 2020 Final Form

Due Wednesday, March 29 by 5 pm in the BR Dean's Office

The final housing form determines each combination's entry in the lottery. After this form is submitted, changes to rooming combinations are not possible until after the lottery. Late forms will cause the offending combination to be penalized. Such penalties can include last lottery position, the result of which may be recombination or annexation. For the sake of your rooming combination, please submit your final form on time. There are no exceptions to the deadline.

The lottery for Class of 2020 will be held in the Common Room on Wednesday, March 29 at 7:30 p.m. Attendance is optional.

Housing Rules to Remember:

1. Each combination must submit one form. If a student's name and signature appear on two different combinations on two different forms, neither form will be accepted.
2. Late forms will result in last pick for all members of the combination.

Check box for every YES answer.

- Does your combination include members from different classes?
- Are you clipping with another group? Submit both forms stapled or clipped together. Please read the rules regarding clipping. N.B. While clipping can improve your position in the draw, it can limit your choice of rooms.
