REQUEST TO ELECT A YALE GRADUATE OR PROFESSIONAL SCHOOL COURSE

Office of the University Registrar, 246 Church Street, Third Floor, Phone: (203) 432-2331

All undergraduate students, including simultaneous degree students, must complete this form to request permission to enroll in a graduate or professional school course. You may not enroll under the graduate or professional school course number of a course multiple-titled with an undergraduate course (e.g. CPSC 467/567) unless you have been admitted to the program for the simultaneous award of the bachelor’s and master’s degrees. For non-simultaneous degree students, all such courses must appear on the Yale College transcript with the undergraduate course number only.

Undergraduates may not enroll in a graduate or professional school course designated as a directed or independent study, nor may they apply credit earned in a graduate or professional school course to any of the Yale College distributional requirements.

Regulations governing enrollment in graduate and professional school courses are published in Yale College Programs of Study. Please read these regulations carefully, and note that the deadlines of Yale College, including those regarding late work and work incomplete at the end of the term, apply to Yale College students enrolled in graduate and professional school courses.
